Board Meeting

Our hard working board had a big meeting last Tuesday about which the Club will be informed in due course. Talks held with StJRC & RRC about possible joint projects. Meetings with StJRC expected as they now meet two evenings per month.

ERKS -message from Gary Langford

Attached is a photo of our club members, family and friends taking a well-earned break from packing ERKs. There were 13 representing our club including three spouses -Jo Emerson, Sandy Carden and Rosemary Burry
We packed 80 boxes on the day. That's in addition to the preparation work undertaken on two other days by a smaller number of club members and friends
A wonderful contribution by our club to a very worthwhile humanitarian project supplying 600 ERK's to Tonga
Thanks to all who took part.

I told my wife she should embrace her mistakes... so she hugged me. She says I only have 2 faults. I don't listen and something else.
