Our Speaker Ray Calver with Derek Bond

Ray has been with Oranga Tamariki for 8 years. The Youth Justice system has changed the age group to 17 years before offenders face the Adult Judicial System.

Oranga Tamariki are focusing on a wraparound service consisting of Offender/Victim's/ Education/Health Authorities in order to reduce re-offending.

Ray recited 2 real examples of where reinforcing a Belief system and offering encouragement for these youngsters can be the start of them turning their lives around to become successful members of society.
