

Rotary Club Bulletin – 2 April 2021

Kay Flower – President's Message

Our Speaker this week was Professor Maurice Curtis – his subject - Brain Research.

It was a pleasure to meet Professor Maurice Curtis and learn of the Research they work at the Neurological Foundation of New Zealand.

Professor Curtis outlined where diseases start in the brain and how the disease spreads, referring mainly to Alzheimer's & Parkinson's disease.

He mentioned how important it is to their research to have people donate their body and brain to this vital research.

Professor Maurice Curtis

Change Over Dinner

Monday 28th June 2021

To Simon Kouk – We are sorry to hear of the passing of your Father, Jimmy Kuek. He will be sorely missed by your family

"Dad had always had the charismatic attitude who loved to give generously to those he loved and cared about.

His friends say he was a strong yet jovial individual who always brightened their day just by being around him"

Parkinson's Red Tulip Appeal

Are requesting our help with their very worthwhile forthcoming appeal, coming up on the 8th, 9th & 10th April 2021.

If you are able to assist in any way, please contact:
Karen Schade: karen.schade@parkinsons.org.nz.
