

Week Commencing 4 March 2019

Auckland Health Foundation

Tonight's speakers were Gwen Green, Chief Executive Officer and Hannah Davies, Fundraising & Marketing Manager from the Auckland Health Foundation. With the newly established charity the main goal is to ensure the future of healthcare in Auckland is world-class. 100 % of the funds raised go directly towards the projects for which they're intended.

Three of the big projects are research and discovery, getting involved in the refurbishing of the Whāna Rooms and developing world-class simulation in Auckland.
