

## Week 28 – Friday 16 July 2021

### RYLA:

Darius Mistry & President Ian attended the recent Graduation Dinner with our four nominees, Karan Bhandari, James Davies, Sabrina Fleming and Sheetul Bisnauthsing.

All were amazed by the range of activities and the outcome from the week,

We will hear their individual comments at our meeting on Monday 2 August.

### LAPTOPS for FIJI:

The Fijian Covid crisis has resulted in many schoolgirls and young mothers not being able to maintain their education, so critical in Fiji.

Dr Michelle Dickinson (Nano girl) is involved in a trust seeking used laptops for these women and if you are able to assist, please contact

[dariusmistry@imagnetext.co.nz](mailto:dariusmistry@imagnetext.co.nz) who will arrange pickup and also ensure that all existing data will be fully cleared from the laptops donated.

We are seeking at least 40.

**Congratulations to Simon Kouk** who has been appointed District 9920 Chair – Technology & Systems

**Paul Harris Award:** Past President Kay was able to hand to Murray Willis – a Paul Harris Award – 2 Sapphires. This is in recognition of the work Murray has continued to do with the Breakfast Club.

### Club Assembly:

A number of suggestions/comments were made at our recent Club Assembly, and these will be considered by the new Board. The programmes outlined by the Directors were both extensive & challenging and reflected a commitment to involving more club members in our activities but using less physicality! We need to work smarter, not harder and adapt where needed.
