

# ROTARY CLUB OF AUCKLAND EAST

## ROTANOTE

**PRESIDENT: Derek Bond      Secretary: David Carden**

**Club Meeting 23 September 2019**

President Derek welcomed guests Hamish Hargreave and Godfrey Scoulter Peter Allen's brother in law.

Our advertised speakers from the British High Commission were unable to attend tonight. Their visit has been re-scheduled for

2 December 2019. One of our own members Greg Dayman who was introduced by Peter Allen stepped into this gap and gave a talk on The Roman Aqueduct from Uzes to Nimes built 60-70 AD. This was built in the time of Julius Cesar and it took 7 years to build. A very impressive feat considering the tools that were available at that time. This bridge had a life time of 600 years. Greg also showed an example of a new bridge which only has a life span of 120 years. Greg was thanked by Alistair Burry.

### **PhD Student requires Volunteers**
