### 31 May - Speakers for Meeting

#### Topic: RYPEN 2021

Speakers: Ariana Andrews – RYPEN Team Leader together with Lisia Pau'u and Stanley Sosefo (Deni) – RYPEN attendees

Lisia and Deni are students from Tamaki College and their attendance at RYPEN was supported by our Rotary Club. Kathy Miln, the Tamaki College Schools Initiatives Coordinator, will also be in attendance.

This is an excellent opportunity to hear about the student's experiences at RYPEN together with one of the Leader's who coordinates the activities.
